[DOWNLOAD HERE](#)

Firm melodies played against electronic soundscapes, mingling of classical-romance, trip the light fantastic toe and jazz. 12 MP3 Songs NEW AGE: New Age, ELECTRONIC: Practical Orchestra Between the Earth and the Moon Songs Details: Between the Earth and the Moon (his debut CD) Alfred Anthony demonstrates what he can do with special resources and unbounded energy. Beginning with the yearning instrumental BETWEEN THE EARTH AND THE MOON, he creates a romantic scene with piano and strings. Dramatic power in THE CHALICE AND THE BLADE (#24 in the MP3New Age Charts) brings this collection to a passionate holding pattern, with BUDDHA CHILD and EVERYTHING IS ALIVE rising up with excitement and joy. Many different moods are explored in this incredible first offering from one of the freshest voices in New Age music today. Running Time: 51:38

---

Alfred Anthony is a digital artist located in the heart of the United States. A fan of classical, electronica, new age and jazz, he invents music for the sake of music, inspired by the unspecial palette of tonal colors he creates using a variety of digital instruments and samples. He is a member of BMI.
