Details: ANDREA SOLER is a fresh and inspiring singer-songwriter from Australia. Her unique indie folk style blends a variety of influences including soul, rap and flamenco. Overlaid with her effortlessly seductive vocals, this creates an irresistible sound. On stage she is a spontaneous and passionate performer, and captivates her audience with her open hearted and intimate delivery of every song. Andrea draws upon her deep love of life and her travel experiences to create beautiful music. "I am always inspired by nature," she says "and I often find myself writing songs whilst walking along the beach or in the forest." The dreamy title song 'Better in the Sunshine' was ironically written in Scotland last summer, due to the typical Scottish weather! Since basing herself in the UK, this Aussie singer-songwriter has gained a steady following of British fans that enthusiastically love her uplifting and soulful tunes, her humour, insight and her sunny personality. Her passionate and honest performances are intimately shared through her natural charm and openhearted spontaneity. The EP itself is a collection of heart warming tracks that capture the essence of Andrea's music, whilst her live performances leave the soul uplifted and the heart warmed and enchanted.
