Illuminated band out to spread disinformation through pop music. 23 MP3 Songs ROCK: Modern Rock, ELECTRONIC: Pop Crossover Details: b i c y c l e , t r i c y c l e ... an illuminated band out to spread disinformation through pop music I happen to think that this record is quite genius. But then again I wrote, recorded and performed the vast majority of it. A slight case of Gohd Complex. It has far too many songs, and careens stylistically, but somehow maintains this recognizable strain of... well yes, genius. So you must buy it, that would be the only obvious choice. this is the first record by bicycle, tricycle. We have other releases that can be found at our website bicycletricycle.com bicycle, tricycle is not a traditional band. More a rotating collection of musician friends that record perform live.
