_____ 8 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Funk Details: "Armed with killer basslines, wicked beats, and that sweet warm summer feeling you just can't get enough of."

-Twentyfourhours blog "Their funky electronica is as infectious as their beautiful artwork." -Risky Bizniz blog "Agile melodies and smart composition. The way that makes all other try-too-hards swoon - wishing they could step up their music to such a sophisticated level. Daft Punk are in the audience. They quietly lead the applause from the back." -Take Your Medicine Podcast "If George Duke's Brazilian Love Affair had been with Don Ray and they'd adopted a love child, this is what it would sound like." -Groove Provider "Modern electro-funk so endlessly danceable even Chromeo must be jealous." -The Prettiest Pony
