During high school year also managed to finish a music school. Played following instruments: guitar, piano, drums, accordion, bass. Started playing music on stage as a lead singer and author in a rock band in Kiev, former USSR. Moved to California, United States of America, to continue with music career. After coming to U.S.A. played as a lead singer/guitarist/author of songs in 2 bands in San Francisco area, California. Performed at multiple concerts. Started doing remixes and writing/producing my own dance songs in 1999. Soon some San Francisco DJ's started playing my songs in clubs. Songs got submitted to mainstream dance radio stations (like Z 92.7) After a while, I got pissed off that other people play my songs, and started playing in clubs myself. I played in a lot of San Francisco clubs spinning everything from house, trance to hip-hop. Currently, I am touring around SF clubs and beyond to promote new CD: "Dance Club House from San Francisco" which consists of songs written and remixed by me. New album "Romantic Love Songs" features love songs, romantic music, sex music. Styles I like to play: progressive house, dance remixes of famous songs. Styles I actually play: progressive house, dance remixes of famous songs., deep house, vocal house, trance, breakbeat, rnb, hip-hop. Styles I write my songs in: progressive house, dance remixes of famous songs., deep house, vocal house, trance, breakbeat. 3 CDs and multiple sings where released from 2001-2006.
