Do you need a spiritual revival in your soul? Well, DoubleEdge's debut release, "Glorify Your Name" is the remedy with its upbeat music and inspiring lyrics. And listeners and fans agree. "Glorify Your Name is a gift; not only from the Lord to the artists, but THROUGH the artist to the listeners. My life has been positively impacted because of the messages in the music, which I have passed on to my unsaved family members who are also being impacted by the marvelous works of God. THANK YOU DOUBLEEDGE!!"

Kindra - South Carolina "For a contemporary sound that does not compromise the message of God's Word, this is one CD that you will not want to be without." DI (Bahamas) "This CD has been a blessing to me, I would like to purchase five copies for friends and relatives." GA (Pastor in the Bahamas). "Since I put this CD in, I have not listened to anything else. I especially like "Saved by Grace." I look forward to getting extra copies and giving them to my unsaved friends." VP (Florida) Although they have smooth harmony and great beats, it is the bold and provocative lyrics that separates this duo from conventional "Contemporary Christian" Music. Their music has an edge with a purpose - to teach and warn through song. The acronym - Divinely, Ordained, United Brothers, Living Evangelically, while Evangelizing, and Discipling, God's Elect - says it all and shows the unique ministry of these twin preaching singers.

DoubleEdge is TWIN brothers Sean and Troy Isaacs from the Bahamas, who have a charge for missions and revival in this generation. Their passion is displayed throughout "Glorify Your Name". Whether encouraging the Christian, crying out for revival, or unapologetically entreating the sinner to "Repent from their Sins", it is clear that the ministry of DoubleEdge is more than just good sounding music. Their

inspiration came from Colossians 3:16, "Let the word of Christ dwell in you richly in all wisdom teaching and admonishing one another in psalms, hymns, and spiritual songs, singing with grace in your hearts to the Lord." The name DoubleEdge, came from another scriptural passage, Hebrews 4:12, "For the word of God is living and active. Sharper than any double-edge sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart."(NIV) Sean and Troy believe the prompting for soul searching, is rare in today's Christian music. Many of today's gospel music boast funky exciting beats but are void of substance and biblical lyrics. DoubleEdge created songs that have a contemporary sound but most importantly "Glorify Your Name" instructs, teaches, and inspires. The debut album is the outcome of struggles, disappointments, tragedy, and triumphs. "Can't Stop", the 12th get across, poignantly tells of Troy losing his eyesight at birth, the death of their oldest brother, the loss of their family business, and Sean's wife's cancer diagnosis. The death of their brother in 1990 led to their "Spiritual Awakening". Sean and Troy, subsequently gave their hearts and lives to Christ. Sean laid down his pursuits of a secular music-recording contract, acting, and modeling to obey God's call on his life.
