Original jazz that is melodic, fun, mellow and groovy. 10 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Smooth Jazz Details: E. Shawn Qaissaunee's Painting Pictures is a collection of musical portraits featuring Shawn on guitar, Chico Huff on bass, Tom Palmer on drums, Jeff Knoettner on keyboards and Eric Powell on alto saxophone. With the exception of a funky "Q" arrangement of My Romance, all the songs were written by Shawn. The music is warm and inviting, lyrical and engaging. The quintet paints its musical images with a myriad of colors and textures. There truly is something for everyone in this collection. E. Shawn Qaissaunee, guitarist/composer, is a Berklee College of Music Alumnus. He has become a sought after performer and teacher in the Mid-Atlantic region, though his musical journeys have taken him all across the USA and Europe. Tell A Story, Shawn's debut CD, was released February 2000 to critical and popular acclaim. Painting Pictures is his newest release and promises further success. follow this link for a review of Painting Pictures. jazzreview.com/cdreview.cfm?ID=2821
