

Mp3 Firecrotch - Rock: Punk

[DOWNLOAD HERE](#)

Taking classic Garage Rock n' Roll to new heights with old school Punk intensity. 9 MP3 Songs ROCK: Punk, ROCK: Grunge Details: Exploding from the aftermath of the Northwest grunge scene comes FIRECROTCH, a 4-piece garage punk rock n' roll assault destined to fill the current void of your listening pleasure. Singer Stephen Beard along with Paul Hsu on guitar captivate your attention with in-your-face sonic intensity, while Dano Foster on the bass and Aaron Brooks on drums create heavy beat and rhythm, bringing together one of the best up and coming bands on the Seattle scene. Influences range from 60's pioneers such as MC5, the Kinks and the Sonics to seminal punk legends Iggy Pop and the Buzzcocks, as well as the Ramones, Black Flag and Husker Du. Dan Halligan of Tablet Magazine writes: "I dig the Seattle band's adrenaline-fueled sound that walks halfway between Zeke-metally punk and skate rock on their new nine-song CD." In addition, the song "Alcoholic" is featured on "Punks Pints," a compilation of the best of Seattle's punk, hardcore, thrash, psychobilly and ska, released by Sterling Sliver Records in November 2004. Here it is folks-let's go, let's show, let's rodeo!!!
