

Mp3 Gregory Abbott - Dancing The Inner Realm

[DOWNLOAD HERE](#)

Fantastic dancable Pop Caribbean flavour with a "tight" message. 5 MP3 Songs NEW AGE: New Age, URBAN/R&B: R&B Pop Crossover Dancing The Inner Realm Songs Details: Platinum recording artist, songwriter and producer Gregory Abbott's roots stem from Venezuela (his mother) and the Island of Antigua (his father). Raised in New York City, he is a dual citizen of the USA and Antigua and bi-coastal in the US (NYC and San Francisco). In college he majored in psychology and minored in music and spectacular arts. He holds a Masters degree and is currently on the job towards his Ph.D. While pursuing graduate studies at Berkeley, and Stanford he helped pay his tuition by starting a band. It was here he developed his own personal musical style. While teaching English at Berkeley, he decided to become a professional musician, built a studio, and applied his academic discipline to developing skills as a singer, composer and producer. For more info visit his official site. gregoryabbott.com
