

Mp3 Jim Weider And The Honkytonk Gurus - Big Foot

[DOWNLOAD HERE](#)

Roots ,Blues Rock Guitar Instrumentals with jamed out Grooves /soulful vocals 11 MP3 Songs ROCK: Instrumental Rock, BLUES: Rockin' Blues Details: Jim WEIDER is a master of classic telecaster and traditional blues slide guitar techniques. He is one of a select group of musicians to have an endorsement from Fender, and has built an international reputation among fellow musicians world wide. Jim has performed/recorded with such well known artists as: Bob Dylan Graham Parker Los Lobos Robbie Dupree Doctor John Taj Majhal Mavis Staples Paul Butterfield Scotty Moore Keith Richards Hot Tuna Bob Weir/Rat Dog Kim Wilson BIG FOOT reviewed in Vintage Guitar 4/98 - Paul Bechtoldt A blaze of pure classic fender tele tone...This is straight foward Honky Tonk guitar at its best... With "Deepest Cut" you can hear the sorrow and pain flow from the tears and tone of Weider's 54' tele... For lovers of guitar and especially of vintage sounds we hold so dearly, this CD is a must...This is a celebration of guitar at its Best! BIG FOOT... Here is a first class guitarist... Weider squeezes the entire range of the human condition through his guitar in this slow blues (Deepest Cut) that could stop a freight train dead on its tracks... Weider proves that he deserves a promient place on the long list of the finest guitrists on the scene today... Stylistic variety and diversity... exquisite taste and masterful, sensitive style. A real Winner!!! (The power of subtlety - Frank's Picks).
