a unique blend of country infused blues rock 7 MP3 Songs COUNTRY: Country Rock, ROCK: Rockabilly
Details: JIMMIE LEE has teamed up with Philadelphia based Grammy nominated music producer, David Ivory, to create a blend of country infused blues rock. As Jimmie releases his 10th CD this spring of '05, he revisits some of his existing songs in new styles, as well as new songs that really "Turn Up The Heat". Jimmie's got his act together and is taking it on the road. It's full throttle with the pedal to the metal. From the raw and edgy "Memphis Time", to the Vegas Style "Turnin' Up the Heat", to the rock infused "Start Me Up", and to the beautiful ballad "Sad Jennifer", Jimmie proves to be a true artist who gets his point across in a very special way. Jimmie backs up his catchy written songs with a great stage persona that makes his music so incredible! He is the real deal and yes, everybody's taking his songs home tonight. So, "Turn Up The Heat and Lay Your Money Down", cause Jimmie's gonna rock your world from miles around.
