"the hint of backwoods cajun vibe hovers around the edges of these songs. This magic and earthiness appears to be born out the group's unique personalities and shimmering swooping waves of sound. A sympathetic energy truly bigger than the sum of it's p 19 MP3 Songs FOLK: Folk Blues, FOLK: Modern Folk Details: "Fafard has begun to set himself apart from the legions of folksy Prairie singer-songwriters with the sort of instrumental prowess you'd expect from a fingerstyle deity. His style isn't overly busy, but there are moments of genius." Bartly Kives, Winnipeg Free Press Fafard's fiery blend of urban and rural slide finger-style guitar embodies such styles as blues, bluegrass, country, and Celtic. Fafard is about to release his latest effort ...and another thing... in January of 2006. His four previous albums have garnered both critical acclaim and diehard fans - with his most recent, the instrumental Rocking Horse, nominated for Outstanding Instrumental Recording at the WCMA's in 2004; it will be released in Europe in 2006 with a European tour to follow. Jol has showcased and performed at prestigious events across Canada, including an appearance with the Calgary Philharmonic Orchestra, and has opened for such artists as Joe Cocker and Burton Cummings. Jol was recently honoured with the inclusion of his tune Megan and the Wascana Cyclone in Mel Bays Masters Anthology for Finger-Style Guitar Solos Vol. 3.
