[DOWNLOAD HERE](#)

Eclectic, ethereal and genuine in a High-Quality/Lo-Fi kind of way. 12 MP3 Songs POP: Beatles-pop, GOSPEL: Traditional Gospel Details: this is a collection of old hymns, sung by Joshua Frattarola (of the suicide of miss melancholy) and his wife, Denise Frattarola. They were all recorded in a small attic studio and have a very personal feel to them. While we encourage you to support CDBaby, if you do not have the means to purchase a CD from them, you may get one free of charge from teahaile.
