

Mp3 Koots - Buffalo Dreams

[DOWNLOAD HERE](#)

Folk pop, folk rock, Americana with a hint of the 1960's. 12 MP3 Songs FOLK: Folk-Rock, POP: Folky Pop Show all album songs: Buffalo Dreams Songs Details: Good tunes, good lyrics and a great story. Isn't that what you want? KOOTS gives you a nice folk mix of all of these. Good harmonies, variety and even a little humor. Think 1968 and the groups that shaped that era. Listen to Buffalo Dreams and you hear a mix of Neal Young and Gordon Lightfoot. I Dreamed I was a Sailor channels Simon and Garfunkel simple, tight harmonies with nice guitar work. Just the Same evokes The Byrds with a touch of Chicago. KOOTS brings together four folk lovers all steeped in the music of the late 60s, but each sharing their creativity in songwriting and performance. KOOTS is four guys who love music and want you to hear the lyrics. They want you to journey with them to Buffalo, the Falklands, or the Stars. They want you to feel their pain with I Loved and Angel or So Here We Are. And they want you to enjoy the whole album experience. This is a CD you will listen to from beginning to end and enjoy the variety. Besides, how can you resist a group named KOOTS?
