81 whitty and spontaneous, bright and poppy, lo-fi mini-masterpieces. 81 MP3 Songs POP: Quirky, KIDS/FAMILY: Children's Pop Details: Very Tiny Songs, Logan Whitehursts final work, contains 81 mini-masterpieces, each clocking in at about a minute. This albums songs, which were written and recorded in a scant 6 weeks, are almost all inspired by suggestions solicited from friends and fans on the internet. The follow is an excerpt from Dr. Dementos liner notes: Let us praise huge works of art. The Sphinx. War and Peace. Murals. Gone With The Wind. As Slow As Possible by John Cage, which takes 639 years to perform. Let us also praise tiny works of art. Netsuke. Haiku. Dollhouse paintings. Bambi Meets Godzilla. And now, Logan Whitehursts Very Tiny Songs. Tininess can easily be as rewarding as hugeness, and is much less tiresome to comprehend. When you have comprehended a huge artwork in its entirety, you pat yourself on the back for getting through it all, and head out for a beer, or anything that will divert your mind from all that hard labor. When you have comprehended a tiny work of art, you want to comprehend it again and again, savoring the succinctness of it all, luxuriating in its gorgeous tiny details. Such is the magic of Logan Whitehursts Very Tiny Songs.
