MAC-AL presents yet another hot album, but this time around it's all about DAP. 15 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: Those Down Azz Playaz (DAP) are at it again. This time around it's all about them. MAC-AL has put together yet another hot release. With the focus being only on DAP's artists MAC-AL has set out to show and prove that they can hold there own with or without featured artists. With that in mind you will only find three featured artists on this album. The tracks are like the fuel and the lyrics are like the fire so your guaranteed to get the hottest sh@t ever. The album contains 15 tracks featuring the entire camp, in addition to that (for those of you with a favorite) you also get a solo from each artists. So weather your already a fan or just getting up on them this is another must have CD!! Featuring: D-Fresh, San Quinn, and Kim
