

Mp3 Marchfourth Marching Band - Live

[DOWNLOAD HERE](#)

High-energy surrealist global-groove alternative big band, propelled by electric bass, 10-piece percussion ensemble, and mind-blowing 12-piece horn section. 12 MP3 Songs WORLD: Gypsy, JAZZ: Modern Big Band Show all album songs: Live Songs Details: Genre-busting. Cinematic. Community-driven. Sonically and visually stunning. Unified and diverse. MarchFourth is a date, a command, and a large band poised to take on the world. How do you define the experience of a MarchFourth show? What kind of images emerge when you listen to their eponymous 9-song debut disc? Imagine Duke Ellington meets Sgt Pepper in an international big-top Fantasia evoking a familial community reminiscent of the Grateful Dead. Imagine a 1920's speakeasy where Mr. Bungle meets the Shogun Warriors in a PG Clockwork Orange. M4 is not just for hipsters and adults; the kids and grandparents love it too! MarchFourth Marching Band has evolved into a mobile big band spectacular, consisting of a 12-piece horn section (4 saxophones, 4 trombones, 4 trumpets), a 10-piece drum/percussion corps, anchored by electric bass (battery powered). The sound is huge, melodic, and dynamic, taking audiences on a musical journey around the globe. MarchFourth writes and performs its own material, and also draws inspiration from an eclectic range of worldwide influences, such as Eastern European Gypsy Brass, Samba, Funk, Afro-Beat, Big-Band, Jazz, and Rock music, as well as television, film, circus, and Vaudeville. Stilt-walkers, unicycles, fire eaters, puppets, flag twirlers, burlesque dancers, clown antics, and acrobatics are just some of the things you'll see accompanying this eclectic big band. MarchFourth Marching Band's four stilt-walkers are world-class, performing acrobatics, dance routines, and even fire dancing on stilts all in fanciful costumes. The other six beauties can fill the stage with mesmerizing original dance routines (inspired by styles such as bellydance, hip hop, jazz, cheerleading, burlesque, and ballroom) or spread out into the audience and get everybody dancing. The musical quality, the energy of the band, and the

spectacle of the dancers all combine to create an original performance that appeals to everyone.
