Bernie the bubble breathing dragon The most amazing thing that you have ever seen Theres no fire in her throat because she never liked to smoke She comes to town and everyone gets clean The most amazing thing youve ever seen Then one day at her dragon school It was time to take the fire test When she opened her mouth Only bubbles would come out Although she tried and tried to do her very best Bully dragons laughed and called her names She flew away into the sky above So many bubble baths Had put her fire out at last And she became the bubble queen we love! OH! Bernie the bubble breathing dragon The most amazing thing that you have ever seen Theres no fire in her throat because she never liked to smoke She comes to town and everyone gets clean The most amazing thing youve ever seen One hundred, two hundred, three hundred, four!
