My 2 Planets is a rock-pop sextet that cut, dice, and stir in healthy doses of folk and funk into their melodic, musical, hook-filled stew. 10 MP3 Songs POP: Today's Top 40, ROCK: 90's Rock Details: My Two Planets is a pop-rock sextet that cut, dice, and stir in healthy doses of folk and funk into their melodic, musical, hook-filled stew. M2P consists of Eric Wulff (vocals), Jim Ousley (bass), Mike Jungers (guitars, backing vocals), Joe Weir (guitars, backing vocals), Joe Lange (drums) and Josh Drake (percussion). Their latest effort, *Highways Angels* was released in June of this year. Over two years ago, M2P released their first full-length CD, *Even Such is Time*. They received substantial radio air-play in conjunction with the release. The release was also celebrated at the Hard Rock Caf in St. Louis with a capacity crowd. Last season, M2P's songs were part of the soundtrack for MTV's *Road Rules* television series. Songs from *Even Such is Time* were also heard on MTV's *The Real World*, as well as an independent movie soundtrack. My Two Planets has headlined at several clubs and other fairs, and have appeared in St. Louis supporting the GO-GOs, Vonda Shepard and Vertical Horizon. This Fall, they expect to tour outside the Midwest region, particularly on the East coast. Guest appearances on *Highways Angels* include St. Louis favorite Javier Mendoza (backing vocals) as well as Ken Hensley (keyboards), formerly of Uriah Heep. *Highways Angels* reviews: "My Two Planets' new CD 'Highways Angels' delivers a robust rhythm that's highlighted by an exciting blend of harmonies." - Ken Williams, Air Personality FM 101.1 The River, St. Louis "The fun band with the odd name and a really polished sound. They have a party feel that is so captivating, you'll be screaming 'More, More, More!!!" - Rik Anthony, National Host, "Someone You Should Know", All Star Radio Network "...with music and lyrics that come from your heart's attic and will become a keepsake of your mind's dearest family album, these are songs that are a pleasant departure from today's boilerplate pop/rock." - Clint "The Voice" Harding, Blue

Highways/KDHX FM, St. Louis "On 'Highways Angels' My Two Planets delves into the heart and returns with soaring melodies that will have you dancing in the sun. Be sure to put down the convertible top when cruising around listening to this CD." - Sarah Settle, St. Louis Post-Dispatch Online Music Editor Visit M2P on the web at my2planetsor email them at my2planets@aol.com
