We are here to spread the Gospel of our Lord and Savior, Jesus Christ to the far ends of the earth, those saved and unsaved alike. We know what the Lord has brought us through, and are not ashamed to tell you by the gift of music. All of our music can and will be played in the house of the Lord; our music will encourage you through the things you may be going through; and Jesus will receive all of the glory. We are the church, and the church will find and minister to the lost. It is time for the "hypos," hypocrites, and their 'better than thou' attitudes to realize their wickedness and wake up. The spiritual warfare for you soul is real, do not lose your soul, and perish in your sins due to your ignorance and deceit. While being stationed at MCAS New River in October 2001, Tony was continually trying to find someone that could rap to the songs that he had made. The intent was Christian rap only. Carl Robinson, friend of Daniel and Joshua and DJ for WTHB North Augusta, SC, told Tony about some guys from Oklahoma City that were looking for a producer. Tony mentioned that he would go to Atlanta to see them during Christmas break. Tony and his cousin Mike-Dogg went to Atlanta to meet Daniel and Joshua. While Daniel came up to Jacksonville to make the first demo, Andre Ogburn an entrepreneurial ordained minister (World Harvest Ministrial Fellowship Columbus Ohio), checked into MACS 2 ATC DET B in April 2001. With his drive and experience being surrounded by the music industry and business knowledge. Andre' Ogburn went from being the manager
