new, fresh and updated arrangements of the great standards in the vocal/instrumental style of the greats.

15 MP3 Songs EASY LISTENING: Crooners/Vocals, EASY LISTENING: Lounge Details: Essential Ingredients includes many of the great standards. the vocals are in the styles of Tony Bennett, Johnny Hartman Jack Jones and Frank Sinatra. while the songs have been recorded many times, Alan's fresh arrangements and excellent solos makes them very listenable and timeless. Some of the songs are performed as fairly standard arrangements while others have been given a different twist. Angel Eyes is done in a funky style with an excellent piano solo, That's All is done at a fast tempo with some great organ playing by Alan. Falling in love is done in three four time and Stella by starlight is performed by a trio without drums.If you like this style of music I hope you enjoy this album.
