Christmas favorites plus original and new songs from this Parents Choice and Children Music Web award winning singer/songwriter for children. Listen to Spanish and German singing guest vocalists, along with a stellar line-up of musicians 12 MP3 Songs KIDS/FAMILY: Children's Pop, GOSPEL: Contemporary Gospel Details: I had been on the radio (Radio AAs) for a couple of years now - and we had to program songs about Christmas that had nothing to do with the reason for the season! My faith was calling me to record the songs that I loved from my childhood and that expressed the story of Christmas. My friends Jack and Doug and I were back in LA calling on musicians to come help out - and we had another project! We recorded the first batch of songs in 1992 and released the project under the title of "Robin's Christmas Classics" (catchy title, eh?) Recently, with everything digitally remixed and re-mastered, I added a song I wrote that tells the story: Love Worth Finding. Listen to that one, it is different. I hope it speaks to you of a journey. I also hope you and your family will enjoy the songs of Christmas for years and years. Let me know how you like what you hear!
