LISTENING: Instrumental Pop, JAZZ: Smooth Jazz Details: Singer, guitarist and songwriter Scott Perkins releases his 3rd Cd, Bits Pieces, a collection of instrumentals recorded in his UP of Michigan studio mostly over the winter of 2008-2009. "The new CD gave me an opportunity to just play guitar with some fun songs that have been running around in my head, it was pure fun" With not much to do during the winters my music takes on new meaning for me as I play more with the free time that I have.
