URBAN/R&B: Soul, JAZZ: Smooth Jazz Details: Sava the flava of jazz, neosoul and R&B Singer, poet,
musician: iamshe A product of modern society, changing future realities Come flow with me on a journey
of harmony... shurlavision Unquestionably unique, vocalist/guitarist shurlavision sings and plays with the
presence and conviction of a seasoned musician. A definite throwback from another era of music
appreciation, shurlavision mixes a flava-full blend of jazz, gospel and soul to create her own special flow.
Her solo independent release entitled "WhereDuzItGro?", is a 5-song musical journey featuring her
distinctive vocals as well as her years of experience as a multi-instrumentalist. If you dig good musik,
you'll dig shurlavision.
