If rap music existed during Hendrix, Janis Joplin, and John Lennon, it would be known for The BASIQS. A smooth fusion of Soul, Classic Rock, and Rap music, delivered with thought provoking lyrics and expert timing. Breaking new musical ground in the evolu 17 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, URBAN/R&B: R&B Rap mix Details: The Evolution of Hip Hop! Contrary to recent trends, a rising wave of consumers are growing continuously more disillusioned with the current state of Rap music. A genre of music that was once a controversial fire breathing dragon in the music industry, known for its ability to inspire and evoke emotion; appears to have been slain by the spoils of success. Till now... The BASIQS, (A unique partnering of Mr.Sin, an emcee from Tampa FL and GAGE, a producer and emcee from Rochester NY.) are proof that there is a balance between commercially viable music and meaningful lyrical content. Since forming in 2004 The BASIQS have successfully mixed the edgy bite of New York with the smooth soul of the south to create a truly unique sound. From producing their own tracks to creating their own marketing materials, The BASIQS pride themselves on a universal image and sound that stays true to the foundation of the Hip Hop culture while breaking every rap stereo type they can find. With songs that encourage, empower, and inspire, The BASIQS have coined the term "Legacy Music" to describe their sound. Inspired by the classic sound of the 60's and 70's The BASIQS strive to create music that will be as poignant and valid 10 years from now as it is today. From first listen, to the first time you see their stage show its clear that everything this group does for comes from a pure unpolluted love for the Hip Hop culture.
