

Mp3 The Dennis Fermin Project - Rock: Instrumental Rock

[DOWNLOAD HERE](#)

A passionate and dynamic rock mix with a spanish twist, crossing the styles of Santana with Joe Satriani..... 10 MP3 Songs ROCK: Instrumental Rock, LATIN: Rock en Espanol Details: Dennis Fermin a young, energetic musician overflowing with a passion for music sets out on a dynamic journey to self - release a CD that fuses Rock with a Spanish flair. Time and money limitations as well as no prior engineering or producing experience inevetably led to obstacles that had to be overcome. Many late nights, noisy crickets, restless children, a CD burner that's a bust just to name a few. The final product: A passionatley dynamic CD that so far has created quite a buzz. "Your CD is awesome, we both love it." Rich and Susan at Nova Records "I really like your CD, I'd like to play "Tribute" on my radio program." Lori at Studio Jaleo "Your CD is awesome." Nick - student "Great stuff Dennis... Right on!!!" Roger "WOW WOWI'm buyng your cd. You're AMAZING! YOUR MUSIC-the clips FLOORED ME. Better than AMAZING!" Sandy "Ranks right up there with Malmsteen and Satriani in my book. Very Passionate!" Tania "Really enjoyed you stuff... It rocks" Sunny " Maaan what a great sound-really enjoyed your new cd. Keep them coming!" Pat "Thank You" Myche
