This album is the first of it's kind: It's quirky, catchy, honest...it's Kiddo hip hop. This award winning music creatively introduces practical and fun ways to connect with children, while inspiring hope and purpose in the lives of children and families. 14 MP3 Songs KIDS/FAMILY: General Children's Music, HIP HOP/RAP: Hip Hop Details: You Come Too is a body, mind, soul adventure that captures the child-like playfulness of a playground and the high-quality production of today's hottest music. Body: Discovery happens as kiddos learn to recognize and respond to how their bodies move and grow, learn and listen. See Wallpusher and Stretching Song. Mind: The well written rhymes and imaginative stories spark the excitement of learning and relationships. The mind is awakened, challenged and refreshed. See Goofstizzle and Ask Again. Soul: The music and its words encourage children and the adults in their lives. You Come Too has a voice of affirmation that is much needed in the lives of children and their communities. See Born for a Reason, I am Loved and Hope. The production of this revolutionary CD has moved quickly to the frontier of children's music. You won't find original music for children like this anywhere. Its producer, Dave Olson, has mastered the art of combining his favorite sounds and rhythms with the melodies and movement that we all love. You Come Too is truly a work of art.
