Tired Of Being Tied Down By Time? Wish You Could Achieve More And Earn More Within The Deadlines You Are Given? Want To Branch Out To Other Lucrative Areas Without Sacrificing Your Current Business? For The First Time Ever, The Secrets Of Outsourcing Are Revealed In A Comprehensive Tome That Will Help You Master Your Own Destiny And Boost Your Productivity For The Most Profit Possible! Introducing The First, And The Only, Bible On Digital Outsourcing That Is Guaranteed To Be The Premiere Reference Material For Many Success Stories In The Years To Come. Will You Choose To Become One Of Those Success Stories? The Outsourcing Survival Kit is an encyclopedic tome of everything that you will ever need to know about digital outsourcing. Never has an eBook been published that deals with the businessman's side of the process and tailor-made for Internet marketers the world over. Here' just some of the things you will learn: * The importance of outsourcing and how it will boost your business. * The proper steps to take to ensure a safe and efficient delegation of tasks. * Where to look for freelancers and How to deal with freelancers. * How to haggle for the most reasonable price possible. * An exclusive resource that will GUARANTEE that the contact details of the right freelancer for your needs will be delivered into your inbox - and you will be pleasantly surprised at how much the said freelancer charges! * A thorough survival guide for Rentacoder, Elance and Scr1ptlance, the three leading outsource exchange sites on the Internet today. * How to protect your business when you decide to outsource. * Professionally written contract templates that would help preserve your rights and completely eradicate contingent risks. These alone are worth the purchase of this package! Tags: biz
