hour 30 minutes 31 seconds video training course on how you can start your own webinar riches and get  
rich delivering high impact presentations from home - or anywhere you take your computer to - and earn  
a MASSIVE income working just 2 hours a day! Lets Take A Peak Inside This Video Training Course:  
Video 1 - Introduction to Webinars Convert fence sitters into paying customers! Heres how webinars can  
enhance the image and reputation of your information business, elevate your expert status and ramp in  
massive profits! 13 Minutes and 34 Seconds Video 2 - Different Types of Webinars Did you know that  
there are many different types of webinars? Right. Not all webinars are created the same. In this video  
you will learn what is available to you, the advantages and disadvantages, so that you can decide what  
type of webinar you will want to create. 10 Minutes and 17 Seconds Video 3 - Webinar Formula and  
Tricks You could setup your webinar without much thought. However there are time tested formulas and  
tricks that we have used, that can help you increase your conversions and sales. Did you know the way

you create your webinar can increase or worse decrease your sales? More on that in this video. 13 Minutes and 12 Seconds

**Video 4 - The Expert Webinar Model** What if you want to sell a product or a service, but the problem you face is that... you're not an expert on the subject you want to sell? Don't worry. This video addresses the problem if you don't feel like you're an expert in the subject matter. For example, how to invite guest speakers and much much more! 13 Minutes and 19 Seconds

**Video 5 - How to Pitch in Your Product** Before you begin to brainstorm and plan your own webinar, you will want to learn how to pitch the product you are selling, inside your webinar. That would be the last 15 minutes on how to effectively pitch in your back end product and get people to act now. Just like those offline seminars where the speaker gives the Upsell in the last 15 minutes of his or her speech, we'll show you how to do the same in your webinar. 7 Minutes and 50 Seconds

**Video 6 - Brainstorming and Planning Your Webinar** Now that you've learned all you need to know about the different types of webinars, the tips and tricks, how to pitch your product, and much more....it's time to really focus on creating your own webinar. But before you can do that, you need to brainstorm and properly plan it. Without the proper planning, you may as well say goodbye to the success of your webinar. In this video, you will learn just that. 12 Minutes and 16 Seconds

**Video 7 - Creating Your Webinar** What software should you use? What kind of microphone? While this part can be technical, you don't have to be technical savvy to create your webinar. Simply follow this video step-by-step and I'll walk you thru it HOW to create your webinar. 6 Minutes and 43 Seconds

**Video 8 - Setting Up Your Webinar and Webinar Pages** Once you learn the concepts, formulas, important points on creating a successful webinar, and you've created your webinar...it's time to put it all in action! In this video, you will learn how to setup your webinar and webinar pages. 7 Minutes and 25 Seconds

**Video 9 - Marketing Your Webinar** Find paying customers using low-cost but highly effective, renegade marketing tactics! This is the most essential bit of info, this module alone is worth the price I'm about to ask for this entire training course! 11 Minutes and 9 Seconds

**But That's Not All... I reckon you're already excited at the possibilities of making a massive income working less hours and less effort than what you're putting in right now. And to add sizzling to the offer, I'm also throwing in 2 bonus video modules!**

**Bonus Video - Avoid Crashing Your Webinar** One of the biggest problems people face, is they drive all this traffic to a webinar. People are anxiously waiting for the webinar and suddenly CRASH! This is a common problem that happens often and as unfortunate as it is, you will lose potential customers. In this bonus video, you will learn how to avoid this problem. 4 Minutes and 12 Seconds

Bonus Video - Webinars On Autopilot Did you know that most successful webinars are replays? Webinar replays are webinars that are simply on re-run. Think about having a webinar on autopilot while you are happily watching movies or spending time with your family? In this bonus video, you will learn how to put your webinars on autopilot. 7 Minutes and 38 Seconds Reseller Tools Includes Sales Page - Yes Includes Download Page - Yes Other Included Pages - Affiliates Page, Terms, Privacy Policy, Disclaimer Notable Reseller Extras - Promo Emails (6), Banner Ads (16) Distribution Rights Resale Rights - Yes Master Resale Rights - Yes Private Label Rights - No Giveaway Rights - No Offered as a Bonus - Yes Full Product Copyrights - No Full Graphic Copyrights - No May Modify Videos - No Packaged with Other Products - Yes Added to Paid Membership Websites - Yes Added to Free Membership Websites - No May Publish Offline - Yes May Sell on Auction Websites - Yes \_\_\_\_\_ Visit My Store For More Deals!!! ebooksheaven.tradebit.com \_\_\_\_\_
