The Rafters visits an arcane world, where at crucial intervals, Callings of varying power and purpose are brought into being among its usual inhabitants. Unaware, each is connected to a selected Messenger who alone can lead them to their true identity. Follow Rhyus Delmar, a young Calling, who due to memory loss, finds himself running ever farther from his Messenger in search of his identity. Unknowingly stalked by a relentless assassin, he runs ever further into an underworld hungry to claim his power for its own villainous purposes. Every chapter brings new revelations and often new questions. The scenery and elaborate personalities will capture your imagination, pulling it down into this complex web of plot and intrigue.
