squeeze pages are a proven way to build a list of hungry leads, but there is a better way. video squeeze pages convert much higher. the name of the game is turning visitors into leads and leads into sales. video squeeze pages make this really easy. My Video Series Shows You How. read on to find out more. From The Desk Of: XXXXXXXXXXXX Dear Reader: If you are selling products or services on the internet one of the best ways to generate leads is to use a squeeze page. With a squeeze page you can wet the visitors

appetite just enough to get them into your sales funnel and let that do the selling for you. The most important part is to get your offers in front of interested leads that are already warmed up. The power of the squeeze page can not be questioned. They simply work. But video squeeze pages take this to a whole different level! You can hold a persons attention really well if you have a compelling video on the page. You will get their attention a lot easier than with printed text. So why aren't all marketers using video squeeze pages? The answer is simple. People think it is complicated or they don't know how to create a video. Well, I am here to tell you nothing could be further from the truth. I have laid it all out for you. I even included a template you can use to easily create your video squeeze pages.
