Angelique went to Master Dante by request of Michael, her trainer and lover. She was new to this lifestyle and Michael wanted her to learn about the pleasures of pain. Angelique had no idea just how much meeting Master Dante was about to change her life. Dante saw her deepest desires-he brought to life those desires. Master Dante never trained a woman in the art of pain before until Angelique. She was born to be a Mistress, he knew it. What he didn't expect was to fall in love with her. Torn between his role of Master and his growing love for her he must decide their future together. This book is the back story on how Master Dante and Mistress Angelique became the enigmatic couple they are now. "Dante and Angelique" is another exciting book in Justus Roux's Master Series.
