Humor with a Texas flavor 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Writing humorous songs is a big part of what I do. I can usually find a particular thing that a lot of people go "yeah I've lived that" or "yeah I've felt that." It is a bond that I have with my audiences that usually results in a purchase of a cd. My humor cds by far outsell my more serious efforts.
