Sing along, laugh and play as you listen to this original collection of fun-filled tunes that celebrate the developmental stages of babies and toddlers. 25 MP3 Songs KIDS/FAMILY: Sing-Along/Interactive, KIDS/FAMILY: Educational Details: Bonnie Rudzinski is an award-winning songwriter and music teacher who has created an album of 25 catchy tunes with fun lyrics about the developmental stages of children. These songs were especially designed for families of babies and toddlers and intended to bond parents, grandparents and friends with baby through the singing and interaction of its music. Included are instrumental tracks, so those who master the melodies can entertain others through Karaoke-like performances. Teachers also are encouraged to use the tracks for classroom activities or concerts for their students parents. Featured on the album is Soloist Michelle Schlitzer. She performs with the Lollipop Kiddz to get listeners toes tapping and hands clapping as they interact with their children. People who are interested in should consider this download.
