Details: Eric Cire fans know what to expect from an Eric Cire song or cd! Real music meets real emotion, meets real stories, meets real vocals, meets real melodies, which makes for a real powerful listening experience. He makes music that allows men to maintain love and allows women to continue to believe in love. Eric Cire says what most men would love to say but can't put into words... and what most women would love to hear their man say! He loves what he does. And it shows in every instrument played, every note sung and every word written. Not taking for granted the accomplishments of this talented, Grammy Award nominated producer (Mariah Carey-Emancipation of Mimi), singer, and noted songwriter (I Can't Hear the Music- Def Jam group Brutha featuring Fabolous), Eric Cire would rather you judge each individual work for what it is. So he feels like whenever he does something new, he is starting his entire career from scratch. And that is what keeps him striving to get better as the projects unveil themselves. After selling an astonishing 70,000 cds of his first independent release (ericcire.com) all over the World, and remaining in heavy rotation on satellite radio for 3 years with the same cd... Eric Cire is back with a new set of love songs with a deeper passion, re-energized heart, and a new found outlook on the life he has been given. And he gives you all those things in this release. So if you are looking for the cookie cutter music that is so readily available in today's pot of musical gumbo...this is not the cd for you. But if you desire something that will effect your mood, open your heart to the possibilities of love, heal certain broken emotions, and reinforce the passion in your love making...Stop reading and get this cd. You will be glad you did. And please visit ericcireto keep up with
