Note from EVA: ----- "I'd like to take this opportunity to thank all of those who made Raw Gold a possibility. To Niyi Adams and Last A Productions -all of God's goodness be towards you. To my current producer, Wayne Michaels, I pray that "Just Like You" will make an even greater impact on the people. The Lord strengthen your hand and give you new ideas on the making of this one. Amen. When God speaks, it is impossible for it not to come to pass. I think at times we lose sight of that fact in the screaming of the storms that surrounds us. God is faithful, and you don't even have to believe that to prove him. The earth already is filled with resounding assurance that he is faithful and that he is God alone; but we believe for our own good, that we may obtain the promises of God made for the betterment of our lives. Don't give up on your dreams, don't allow anyone convince you that it can not be done. It can be done, it can, and will come to pass. Forget those things that are behind and press on with renewed faith, overcoming by the word of the Lord, and the blood of the Lamb of God, Jesus Christ. If God said it, he will watch over his word to perform it. Don't give up, remember, God is faithful and He will do what He said He would do!" (Isaiah 43:17-18)
