Believe it. It seems that Michael Hodjera is ubiquitous these days on the indie scene as the creative force behind the Alien Bliss, Angels and Astronaut, Mostly Human and now, Fun House Mirrors CD projects. His talents as a song writer, vocalist, guitarist and bassist are on display on the new CD, along with his distinctive sand flea in a sand storm production sensibility. The talented Patrick Hughes supplies the thunder and lightening on drums as he did for 2007's Mostly Human release, "We Are Mostly Human." So get your ears on, put your eyeballs back in your head and pick your brains up off the floor. It's. . .Fun House Mirrors!
