An eclectic blend of alternative pop/rock tunes with a touch of punk and some funky grooves. 9 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Named Suite101.com's Best New CDs of February 2002 "G-Spot is a female fronted New York City pop/rock band with a cool name and an even cooler sound. They move easily between contemporary and retro, with lead singer Gail Silverman sounding like modern folkers like Ani DiFranco or Aimee Mann on some songs, and eighties new wavers like Blondie, Missing Persons, or Romeo Void on others. The common denominator that ties the CD together is non-stop hooks and sing-along choruses. One listen of Experience the Pleasure will hit your musical G-Spot, and you won't be able to stop smiling." Chad Bower, Suite 101 "G-spot is unapologetic, unabashed sexuality that could only be pulled off this beautifully by a women. Add to this interesting vocals that range from a 50s feel to Blondie and funky grooves, then softly sweet and innocent as the music continues this same experience. This CD looks into the minds of women everywhere. Men if you want to know what we're thinking, how we want to be treated, or what makes us want to bury our faces in a pillow and cry...its all here. Kimmie, Score Music Magazine Gifted with strong vocals, a melodious sound and smart lyrics, G-spot definitely hits any music lover's pleasure point! Sandra T. Molina, gogirlsmusic.com "Experience the Pleasure" features an eclectic collection of alternative pop and rock tunes along with excellent production and musicianship. Track #3, "Buried" was #1 on MP3's NY Alternative chart for several weeks this summer and both that and Track #2, Nut in Your World ranked in the Top 40 for several months. In addition, G-spot is starting to generate radio airplay on several indie radio shows around the nation and on the internet, and internationally in Costa Rica. The heart of G-spot is lead singer Gail Silverman... this provocative singer songwriter puts her heart and soul into every song and performance. She'll have you dancing one minute and thinking deep thoughts the next! Their original

music - a distinctive blend of contemporary rock and alternative power pop has a touch of punk and some funky grooves defies facile categorization. With hook-laden songs that address everything from broken hearts to the state of the human condition, G-spot's impressive repertoire of material runs the gamut from introspective musings to outright rants. G-spot has established itself as one of the hottest live acts on the music scene. On their home turf in New York City, they regularly play such prestigious venues as The Bitter End, Meow Mix, Elbow Room, Downtime, and Acme Underground among others. G-spot delivers one of the most dynamic and entertaining live shows anywhere. Gail is a veritable whirling dervish of unbridled energy - teasing and childlike one moment, sexy and aggressively provocative the next. An electrifying presence, she plays off the energy of both the audience and her band members. Oh, yes. The name. Where did it come from? "That's the first question we're always asked," responds Gail with a coquettish wink. "We prefer to leave it to your imagination. All we ask is that you experience the pleasure..."
