[DOWNLOAD HERE](#)

Your stars are out tonight. 11 MP3 Songs in this album (45:17) ! Related styles: ELECTRONIC: Electronica, POP: with Electronic Production People who are interested in The Postal Service Shiny Toy Guns should consider this download. Details: "That look on your face, it reminds me of needing you from a thousand summers ago." Poppy, beautiful, Our Hearts Still Beating carries on I Hate This Place's tradition of weaving the weird and wonderful into songs that will delight and enchant any fan of electronica. "Your eyes are sad but you're still all right." Joined by collaborators from around the world, IHTP's Sean Nerney writes tales of errant robots, night flights, sweet dreams, wayward vessels, and the many shades of love in the information age. "We raced like wind through the darkness, pulled covers so closely to keep the world out." Our Hearts Still Beating features 9 new original tracks, plus an alternate mix of Like, and a remixed/mastered version of Moment by Berlin based production team Sash and Eroc. "Send this message out, but we get no reply. Can you still hear me out there? Come in, I'm standing by..."
