[DOWNLOAD HERE](#)

This CD+DVD SET is a unique collection of songs, music and films about the Scottish soldier reflecting every aspect of his character. 15 MP3 Songs WORLD: Celtic, FOLK: Scottish Traditional Details: CD + DVD SET HIGHLAND LADDIE: song - music - film is the latest production from the creators of When the Pipers Play. It is a unique listening and viewing experience essential for every collection. HIGHLAND LADDIE is a collection of songs, music and films about the Scottish Soldier which reflect his spirit, his gallantry, his irreverent humour and of course the pride he felt for his regiment. Performed by two of Scotlands top musicians, traditional singer vocalist Isla St Clair and champion bagpiper Gordon Walker, their interpretation of these Scottish classic songs and tunes, are both diverse and fascinating. Also featured are The Pipes and Drums of the Royal Regiment of Scotland The CD (55 minutes) contains 15 tracks of vocals, solo piping and pipe band. The DVD (75 minutes) has 9 sequences of songs, music, interviews, stunning scenery and rare archive. The DVD Special Feature is the Music Video of the hit song Scottish Soldier filmed at Edinburgh Castle and other locations. There is also a 20 minute DVD bonus film called 'Remembrance'.
