Folked-Rock 12 MP3 Songs FOLK: like Ani, ROCK: Acoustic Details: Jenn August sings emotive powerful songs filled with infectious rhythms. Jenn started her music career in San Luis Obispo singing solo acoustic shows in local cafes. After college she formed her own rock band and performed around California for four years. Moving back into a more sparse and sweet sound she made her debut album "Angels Here Among Us", a passionate look at her life and the world around her. She takes you into dark caverns of her mind and guides you out with her light-hearted commitment to silliness. Her live show has been described as Dave Mathews meets Ellen Degeneres in a metaphysical bookstore!
