Steel drum music of the Caribbean. Steel drum band sound with a contemporary style to it. 12 MP3 Songs WORLD: Island, KIDS/FAMILY: General Children's Music Details: his 3rd album of beachy summertime music, Kent explores the same great mix of classics and contemporary tunes that have made his 1st 2 CDs such a hit. Performing every instrument himself, this gives the CD a very organic feel building from the ground up. This CD is not a bunch of loops and drum machine sequences, but truly played throughout. Realism as only a full band could do. Kent also does all of his own recording and mixing. If you're looking for some upbeat sounds and aren't afraid of something that isn't Buffett (although there are 2 of his on there), then check out this boat/beach/pool party music, you won't be disappointed. Also check out his other 2 CDs found on CDbaby.com
