

Mp3 Koffee - Miss Georgia

[DOWNLOAD HERE](#)

Smooth, Edgy appeal, Urban melodic, Innovative in structure, Creative in writing style, Unique in delivery. 16 MP3 Songs URBAN/R&B: Philly Soul, JAZZ: Soul-Jazz Details: The Much Anticipated Sophomore Miss Georgia Album is one that is uniquely woven around a day in the mode of Koffee Dawn Dillard as it relates to being/becoming an artist while still in Corporate America and how the two clash on her path for a perfect Life. If such a thing exists. As one of her songs questioned. The very creatively sultry wildly radiant Koffee, manages to build the new album around, relatable yet brief company (corporate) time interjections for a bevy of believable interludes that actually are relative to the music content! The concept of taking an average work day to address topics of Love, Domestic Violence, Pain, Past Reflections, Personal Quests, Insecurities and Inspiration is a brilliantly fresh idea with just the right balance. Koffees Music/Content is Risky, Edgy, Urban, Soulful, Alternative and Freshly Unique! Koffees wordplayful writing style is an interesting twist of compelling, poetic scat sung over melodic almost hip hop jazz tracks. Its no wonder she is referred to as Koffee-the-flowloist (vocalist). Some may be quick to categorize her genre as Neo Soul mixed with R&B But hold on to your seats as her curveball flow salsa dances from B-Side broken beats, to sexy scatic-stucatto interludes, to cold hip hop flows, to acoustic stories, right back to a heartfelt love Ballad. Koffee with her music style and appeal covers a lot of ground and will be a hard act to follow! Koffee, the worlds new Bad Girl of Soul affectionately termed this for breaking Industry (in the box) rules while instead putting out an album that is all about being an artist 1st and foremost, will be nothing less than Unpredictably Soulful! Keep your ears hot ready for the new Miss Georgia album coming Jan 2008! The Artist: Smooth, Melodic, Innovative, Creative, Unique. Are just some of the words you could use to describe this singer/songwriter/flowloist. Koffee, who is originally from Springfield, Mass. Yet has lived on the West Coast (California), East Coast (North Carolina), North (Massachusetts) and

now Dirty South (Florida, Georgia), is banking on this versatility and cultural consciousness as an added ingredient in her unique style. She has a cool inner-city, sexy uptown intrigue with a warm southern appeal almost impossible to miss! People who are interested in Jill Scott Mary J. Blige Sunshine Anderson should consider this download.
