It defines me-and I continue to define myself in the music I write and produce. I want to tell a story, start to finish. I write from personal experience, and I experience my material in a very personal way. I sing out loud and from my soul. My

goal is to provoke you. Provoke you to change, provoke you to dance, provoke you to get turned on, provoke you to create, confront, take action. My plan is to give you some of me, my Identity."
