"Laura's songs soar with rhythm, beauty and intelligence. What a rare combination. Her music is equal to and serves her lyrics, demanding your attention. The lyrics stand as poems alone, but to our good fortune her music and arrangements give them their flight and their power to penetrate our souls. Yet, in each song, it is her voice that seduces us, it is poignant while full while gentle. It is unique as is her product. Pick any one of her songs and discover a voice you need to hear". Terry D. Kester, WPFW "She sings of such intimate emotions that this music could only be hers. Stay With Me confesses a vulnerability that most of us would never touch...Arrangements are meaningful too -- the mellow mediation Peace Someday is carried lightly by strings, while Black Madonna is haunted by layered harmony vocals . . . a CD of admirable heart". Takoma Voice "Laura Baron touches, challenges, and inspires the listener with her smooth vocals, soothing melodies, and moving lyrics. Her contemplative message of peace, love, hope, and eauty will keep fans coming back for more".
