

Mp3 Myrmidon Process - Apocalyptic Butterfly

[DOWNLOAD HERE](#)

Carefully crafted electronic soundscapes melded with hard hitting industrial noise. 12 MP3 Songs

ELECTRONIC: Industrial Details: Fiona has been making music for longer than she can remember, it was only when discovering the electronic and industrial genres that she really started to take it seriously. This album is the epitome of serious to date. Nearly 70 minutes of material, the first album from Myrmidon Process contains 12 tracks of industrial, electronica, noise, EBM and every other sub-genre that passes Fiona's tiny ears have been poured into a veritable labour of love. We think it's about time you joined the Apocalyptic Butterfly and explored the vast audial landscapes of Myrmidon Process.
