Beautiful melodies and a calming tone, this CD brings you original songs and some of the Writings of the Baha'i Faith set to music. 12 MP3 Songs POP: Delicate, EASY LISTENING: Mature Details: If you are looking for music that will calm and inspire you at the same time, you will find it in the music of Shabnam Cyrus. With a voice that is pure and clear, and fingers that gently brush the keys of the piano and strings of the guitar, Shabnam's singing and playing have been enjoyed and praised throughout the United States, Europe, and South America. Shabnam was trained classically as a pianist and singer, and this has strongly influenced her style. She finds enjoyment in the structures of various harmonies and melodies, and weaves this into her own music. Shabnam is motivated to write music that reflects the struggle of the human spirit on the one hand, and on the other, that which the soul seeks. The CD A Dewdrop Out of this Ocean includes both: original songs by Shabnam; and the words of the Bb and Bahullh (Central Figures in the Bah Faith) from which she gains her strength and inspiration, set to music by herself. Soothe your soul!
