Great acoustic music from bluegrass to easy folk, from lovesongs to changing the world. All star line-up of musicians from Austin, Texas, the heart of the music world. 10 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: I started playing music when I was nine years old. My grandmother taught me to play Little Brown Jug on the guitar and In The Mood on the piano. I guess that started the track of my life. I began traveling the country playing and old beat up guitar when I was eighteen. Around 1970,I joined up with another traveler and formed Morrison Smith, an acoustic duo. We did original and cover tunes, and whatever anyone wanted to hear. But after more than a decade, life and family soon had me giving up the road and being "repectable". But even several jobs and a eight year career as a professional photographer didn't really change things, so I'm back where I feel I need to be.
