

Mp3 Tony Frissore - The ?bermix

[DOWNLOAD HERE](#)

Rapid-fire, funk-house for those who want to get up and move. A fast-paced, groove-laden dance mix reminiscent of the "Supperclub" series, perfect for setting the pre-party mood or for the after club wind-down. 14 MP3 Songs in this album (40:37) ! Related styles: ELECTRONIC: Funk, ELECTRONIC: House People who are interested in Air Ryksopp Gilles Peterson should consider this download. Details: Tony Frissore takes funk grooves and adds them to house beats to make a truly unique international sound. Drawing from a vast array of sounds from various locales Boston, New Orleans, and Frankfurt to name a few Frissore blends a myriad of styles to create a fresh, fun, and funky house sound. Having spent over seven years in Europe, Tony built working relationships with top DJs and club owners in Frankfurt, Munich, Berlin, Amsterdam, Budapest, Prague, and Bratislava. He brings that hip Euro feel to American listeners as well as those who frequent the hot-spots of the old world. The result is a fusion of sounds thats sure to get you moving. The bermix, Frissore's first full-length house mix, is a fast-paced, groove-laden house mix reminiscent of the "Supperclub" series, perfect for setting the pre-party mood or for the after club wind-down.
