Barbara Bagshaw President of the New England Christian Arts Council Victoria James is a delightful talent. Her voice is sweet but more incredible is her songwriting talent. Her music is sing-able without being repetitive. The tunes are lovely and fresh, the arrangements very well done, the lyrics spiritual yet contemporary--easy to identify with, compelling." Kathy Mackel from Massachusetts [kathrynmackel.com/](http://kathrynmackel.com/) God is faithful! He does what he says he's going to do, encourage people and help them grow in their faith in Him. Three years ago, after the release of my first album, Heart of Hope, He gave me the opportunity to begin another project. My friend and author, Kathryn Mackel asked me to write a lullaby in her upcoming book, The Surrogate, which was being published by Westbow Press, a division of Thomas Nelson Publishing Company. Things went well and as she has written four more books with Westbow, Kathryn has asked me to continue to write for the characters in her novels. As a mom and local public school teacher, I am grateful for the chance to share these songs with a wider audience, both through these books and our websites: ( [victoriajamesmusicandkathrynmackel.com](http://victoriajamesmusicandkathrynmackel.com)). As time has passed, God has helped me to write nine more songs to be included in

my project entitled, Art of Love. Would you consider helping me get the word out about the cd? Perhaps you know some people who may be interested in this project. Thank you so much!
